

Harrogate Ladies' College achieves outstanding academic results. Studying with us typically adds one grade to estimated exam results in every subject - this progress, or Value Added score - places us within the top 5% of schools in the UK.

GCSE Results

- > 41% of all grades were 9-7
- > 88% of all Physics grades were 9-7
- > 88% of Languages grades were 9-7
- > 72% of all grades in Biology and Chemistry were 9-7

A level Results

- > 53% of all grades were A*-B
- > 100% A*-B in English (Lit)
- > 100% A*-B in both Textiles and Art
- > 88% of Language grades were A*-B
- > One third of pupils went onto study STEM subjects at university

University Destinations

At Harrogate Ladies' College we have an excellent track record of securing places at some of the UK's top Universities. The majority of our girls secure their first choice of university, a high percentage of which are Russell Group institutions.

We always encourage our pupils to be individuals, to have the confidence to be themselves and to follow the path that is right for them. The range and diversity of the subjects our girls go on to study at university is a reflection of this ethos.

“Achieving A*AB at A-Level and earning a spot at Durham University to study Psychology is absolutely amazing and I am so excited for the journey ahead!”

Ellie Boon

“Results place the school comfortably as the highest performing in the Harrogate area for both GCSE and A level.”

Good Schools Guide
